FRIENDLY REMINDER...

With debit and credit card fraud on the rise, it is even more important for you to let us know when you are traveling or will be charging anything to your cards that may appear unusual (i.e. larger than normal dollar amounts or increased number of transactions). Also, ensuring we have an updated phone number and email address on file is vital. Together, these things will cut down on the chances of your cards being inadvertently blocked.

A Message from our President

2016 was once again a very good year and was packed with highs and lows for the organization. Through both we have been dedicated to serving you with the best member service that can be provided. We underwent unexpected remodeling to the Mexico Branch after the “flood damage” and once again thank you to everyone who offered words of support, your patience and understanding. It just proves that UCU has the greatest members. Last year United Credit Union was blessed with winning the Dora Maxwell award at both the State and National level. Well, I am so very proud to announce that your United Credit Union has duplicated this awesome feat. This is a direct result of the hard work and tireless efforts of the staff and management, coupled with the complete support from our Board of Directors. Exciting things are going on here and we need your help to spread the word!

From all of the staff, Management and the Board of Directors, we wish everyone a very Merry Christmas and a prosperous New Year.

As always

“WE ARE UNITED!”

Respectfully Submitted,

Brent H Sadler

President/CEO

Happy New Year!
