A Message from our President

United Credit Union was blessed with another great year in 2018. We are very proud to say that we paid back over \$292,000 in bonus dividends, VISA rewards and loan interest rebates.....what other financial institution do you know that is doing this? Maybe you have family or friends that would benefit from membership? I would encourage you to share this news with them! 2019 is jammed packed with some great things, so please stay tuned!

All of our success is directly related to your membership and the strength of our co-operative, and for that I sincerely thank you!

As always, **"WE ARE UNITED!"**

Respectfully Submitted,
Brent H Sadler, President/CEO
United Credit Union

Membership Means Rewards!

In 2018, we gave back a total of \$292,000 in the form of **BONUS dividends, interest rate rebates and cash-back awards to our members**. It is now time for us to give you another opportunity to save. Our much anticipated vehicle loan promotion is coming up this Spring! We continue to offer **up to \$400* cash back** for any type of vehicle loan refinanced from another lender. This can be a truck, boat, motorcycle, RV and more. Also, you can choose to defer your first payment for 90 days, giving you a little extra time to get other things taken care of!

As you know, UCU works hard to partner with organizations in our communities to help raise funds and awareness. The organizations we have partnered with include: Serve, Our House, CMCA, Bridgeway Behavioral Health/Robertson Center, BACA, Dream Factory, Buddy Backpack, Safe Passagae, Eastern Missouri Family YMCA and Help Center. It is our goal to truly benefit the communities that we live and work in! We are united to help our communities thrive!

*cash incentive is based on 1% of loan amount up to \$400 and paid on Vehicle loans refinanced from other lenders
